

Technical Game Safety Guide

When you plug the console **into** a power outlet, always check the voltage label **on** the back **of** the device. Make sure the cooling fans are free from dust so that air flows smoothly through the system during long sessions.

Before you insert a new game disc **into** the drive, clean the surface gently **with** a soft cloth. Dirt or fingerprints **on** the optical reader **often** cause reading errors **in** the middle **of** a game.

Health experts recommend short rest periods **for** all players. Take a 10-minute break every hour and step away **from** the screen to rest your eyes and stretch your muscle groups.

Players sometimes feel motion sickness or lightheadedness during fast-paced action games. Discontinue playing immediately if you experience any discomfort, and consult a medical doctor for advice.

1) Qual é o tipo de presente predominantemente utilizado em todo o texto? Explique o motivo pelo qual esse tempo verbal foi escolhido para um manual de instruções.

R: Simple Present, pois é usado para instruções, indicando ações a ser seguidas no manual.

2) Indique todas as preposições no texto.

R: into, on, in, for, of, with, from, to
